# Candidates

**At New Solutions Staffing, our goal is to help our candidates do what they love and love what they do.**

For us, it's much more than simply getting you a good assignment or job. Whether you are seeking new challenges in your professional career, or exploring different options in the healthcare industry, our team of experts will work with you towards accomplishing your professional goals.

Put our extensive network of partners and resources to work for you! Whether you are looking to travel the country and try new experiences, or settle permanently into a growing community, NSS has the perfect solution for you. Superior customer service is not just a goal, but a core value at NSS. Each member of our friendly and knowledgeable staff is here to listen to your needs so that we can pair you with the best long-term, short-term, per-diem, or permanent position.

Visit our website to see a current list of our job openings. You'll be able to submit your qualifications and apply for a position right on-line.

NSS also offers generous referral, bonus, and incentive programs.

To speak to an NSS expert, please give us a call at (718) 975-2860.

# At New Solutions Staffing, we know that success depends on much more than just filling a position.

Our goal is to develop long-lasting partnerships with healthcare professionals and medical facilities across the country.

Our thorough and professional approach offers unique solutions based on these core principles:

- Candidate Competency
- Candidate Character
- Corporate Culture
- Candidate's Professional Career Goals

We strive to recruit highly-trained, compassionate medical professionals who possess the exceptional skills, education, and work ethic to meet the high standards of healthcare facilities.

At NSS, we realize that time is of the essence, so we work quickly to connect the right candidates, with the right clients, for the right position - all without compromising our service or demand for excellence.

Based in Brooklyn, New Solutions Staffing is dedicated to staffing Allied Health providers, advanced practice professionals, and healthcare executives locally, regionally, and nationwide.

# Employers

**As in the core of any business, exceptional people are often the key to the success of an organization.**

Finding superior talent with the right combination of skills, education, work ethic, personality, and professional goals is one of the most time-consuming and expensive parts of the recruiting process.

Let New Solutions Staffing relieve you and your staff of that burden! With our technology-driven resources and our people-centered approach, NSS's expert team is able to quickly and effectively identify, pre-screen, qualify, and reference check top talent to fill your empty positions. Our personal relationships with these candidates ensure optimal fit, not just with competency and experience, but also with your organization's mission and corporate culture.

NSS focuses on the staffing and placement of Allied Health providers, advanced practice professionals, and healthcare executives, including:

- Nurse Practitioners
- Physician Assistants
- Clinical Nurse Specialists
- Physical Therapists
- Occupational Therapists
- Speech-Language Pathologists
- Certified Registered Nurse Anesthetists
- Pharmacists
- Practice Managers
- Managed Care Specialists
- Healthcare administrative personnel
- Nurses
- CNAs
- LPNs
- Lab Technicians
- Phlebotomists
- X-Ray Technicians
- ... and many more!

**Call us today at (718) 975-2860 with that tough-to-fill position and see how a partnership with NSS can make the difference in your facility's talent acquisition strategy.**
